ABOUT ROGER

Roger Jaeger is an award-winning Americana artist whose latest project—produced by Mitch Dane (Sputnik Sound)—showcases his intimate, heartfelt songwriting. He's toured across the U.S., UK, Australia, and India, shared stages with Jim Lauderdale, Shawn Mullins, The Verve Pipe, and Danny Gokey, and earned placements on General Hospital and Lights, Camera, Action. Now based in Redding, CA, Jaeger continues to refine a sound rooted in authenticity and a belief that the best is still ahead.
